CRE8ION PRESENTS

DOUBLE EXPOSURE

Marty Murphy in *Happy & Clean*

Flacco presents Paul J Livingston's *Beyond The Pale*

Two unique minds, one big night of comedy

Regional Tour of NSW – March/April 2011

Two of Australia's great comics join forces for one evening of pure genius. *DOUBLE EXPOSURE* brings Paul 'Flacco' Livingston (in *Beyond The Pale*) and Marty Murphy (in *Happy & Clean*) together for an unforgettable night of stand up comedy that you will not want to miss.

He stalked our nation's stages, airwaves and TV sets for the last 20 odd years, now cult comedian Flacco is returning to the stage. Well known for his television appearances on *Good News Week* and his national and international tours with the wacky 'Sandman', in *Beyond The Pale*, Flacco, Australia's avant-guardian angel, ventures beyond his own norms to the normless and gormless ground ***Beyond the Pale***. A journey to the forbidden fruitshop of life - to the heart of the matter and to matters of the heart - to parts and parcels unknown. Even to himself.

Flacco's comedic partner in crime Marty Murphy is a Comedian, Actor, Writer, Director, and Filmmaker with a cult following for his extraordinary one man shows. *Happy & Clean* sees Murphy performing over 25 characters with lightening-speed vocal gymnastics, as he shares the surreal story of how he became a B-grade movie director of an action-thriller set on a turkey farm.

DOUBLE EXPOSURE'S regional tour of NSW is hot on the tail of its sell out success at Belvoir-Street Theatre. With only 6 performances be sure to book soon to avoid disappointment.

This twin dose of comic relief is a quick and fun night out that will give you and your friends a bloody good laugh.
